BURNING ANGEL

A WORD FROM OUR PERVERTED PUBLISHER...

Happy Spring, Everyone!

'Tis I, your favorite punk porn slut, Joanna Angel. Thank you all so much for spanking your beef to my precious magazine. It is all because of *you* that we have made it to our fourth issue. So, you keep buying my filthy porn, and I'll keep making it. Deal?

In issue four, we have a whole bunch of awesome stuff. To celebrate the springtime, there is a lot of outdoor activity going on! I get ass-fucked in a dirty alleyway in my photo spread, and Kleio also gets fucked in another alleyway in her pictorial layout. And to top it all off, new BurningAngel girls: Sofi VonDoom, Morretta Cooxx, Felix and Audrina—all have a fun-filled pussy-eating fest in a hot tub overlooking the lake. There's a ton of other nudie stuff, too—with a mixture of some familiar faces (not to mention asses and pussies), along with some newbies you have to meet!

Springtime is also a time of love (well, love, and fucking like bunnies), so we've thrown in some mushy editorials, too, like a Valentine's Day themed "Burning Question" to get you ready for next year and important relationship questions and answers from my ass in my advice column, "ASSk Joanna." Also, you couldn't possibly miss Dnothing's piece from the set of *Joanna and James Deen's Summer Vacation!* all written from behind-the-scenes of my newest feature porno (which I'm in love with) that includes hot and steamy details! BellaVendetta also got to meet *her* biggest love—George "Corpsegrinder" Fisher from the death metal band, Cannibal Corpse; and lucky for you, we have the interview right in here.

Anyway, why are you still here reading this? Start flipping the pages and enjoy!

Interview with BurningAngel Newbie

VERONICA ROSE

By Joanna Angel

28885

Joanna Angel: Where are you from, Veronica?

Veronica Rose: I'm from Orlando, Florida. It's commonly known as Whorelando. Haha.

Can you tell us about a few of your favorite hobbies?

Hmmm, let's see. I like collecting shoes, traveling, doing hair, and my most favorite hobby would have to be lurking and being a creep.

What is your ethnicity?

I'm a mutt: Black Italian and French Canadian!

When did you get your humongous titties?

Oh man, I started noticing that I was going to have extremely large breasts at a young age.

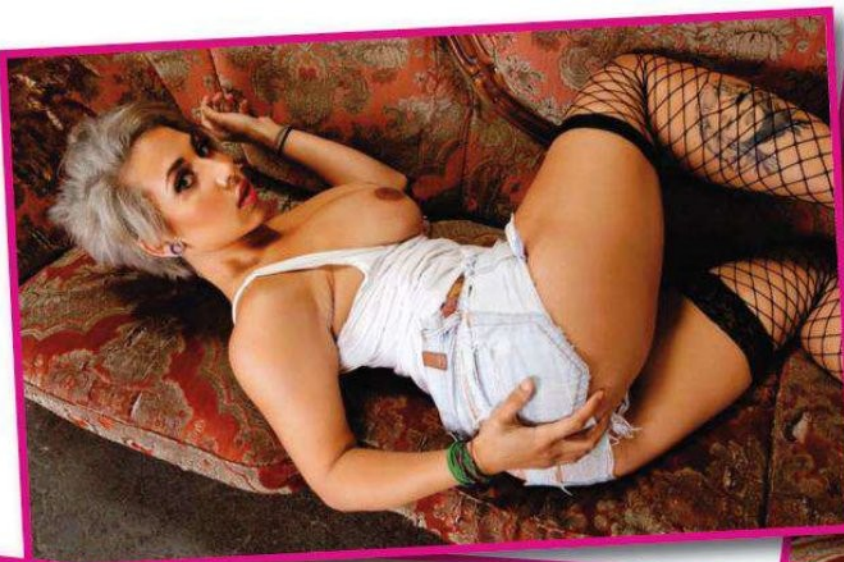

What was it like growing up with them?

When I was younger, I was really self-conscious about them and I would try to hide them by wearing baggy shirts and sports bras.

How big are they?

I wear a 36DD and they're still growing. Unbelievable!

Do people think they are fake?

Oh yeah, for sure. People ask me all the time if they're fake. I'm pretty used to it now, but they're not. [they're] totally 100 percent real.

Am I asking you too much about your boobs?

Haha, not at all! I like talking about my boobs. I mean, they're pretty big, and you can't miss them.

When you go out do men just stare at your chest and not listen to a word you say?

Yes! It's like this force my tits put out that just pulls men in and shuts down their hearing senses.

How does this make you feel?

If it's a guy I'm interested in, and I'm actually trying to talk to him, I get pretty pissed. It's like, 'Hello! I also have a pretty face!' But other than that, I really don't mind. They're there.

Did you enjoy having sex on camera?

I had so much fun. I can't wait to do it again. It was really exhilarating.

What was your favorite part about your porn experience?

Probably the anticipation, and then just doing it. Oh, and also masturbating on camera was way too much fun.

How did it feel having sex on camera? Was it a lot different than sex at home! How so?

It felt a little awkward at first, but once I got into it, it was awesome! It was a little different because there was a camera and I had to stop and go to get all the right shots.

What did your family think? Did you tell them?

Well, my brother thinks I'm crazy, and so does my sister, but they thought I was crazy even when I didn't do porn. I

haven't told my mother yet. I really think that would put her over the top—haha!

Did you learn anything new sexually from doing porn that you were able to go back home and impress someone with?

I definitely learned stamina!

What kinda men and women are you into?

When it comes to men, I love, love, love good hair and pretty eyes with a nice body. Throw some tattoos and maybe a dermal or two, and I'm all yours. Girls, I'm very picky about, they have to have nice tits, a funny personality and a gorgeous face.

What's your favorite food?

This might be ironic, but barbecue is my favorite type of food. Anything barbecue and I'm in heaven.

Do you believe in aliens?

Haha...that is such a random question, but I love it. I'd have to say I'm skeptical. I'd have to see it to believe it.

What do you do when you're not doing porn?

I'm a student at the Paul Mitchell School, and I stomp around town with my friends. I'm kind of a lush.

What is your regular day-to-day job?

Well, I go to school from nine to five everyday, and then I head to work and get naked for everyone! I live a pretty exciting and busy life.

Tell us what you are doing today.

Well, I'm at school and then I'm going shopping with some frandzzz [sic].

If you were to be stranded on a deserted island and could only bring 5 things with you - and those were the only 5 things you could use for the rest of your life - what would you bring and why?

My iPhone 4—I can't live without this.

My MacBook—so I can keep up-to-date with everyone and everything!

My MAC makeup—so I can always look my best!

Barbecue chicken—My favorite food. I'm a total barbecue freak, if you couldn't tell.

And last, but not least, a vibrator—so I wouldn't get lonely at night ;)

ASSK JOANNA

Advice Direct from Joanna Angel's Ass*

Over the years, my ass has met a lot of different kinds of people and learned a lot of things. It is knowledgeable on a variety of subjects, ranging from Tommy Pistol, to ketchup bottles, to ASStrophysics. Throughout the years, you've spent hours getting to know my ass, but you've never had the chance to really talk to it. It's about time my ass shared some of its intellect with my beloved fans!

XOXO

Joanna Angel (and her Ass)

Dear Joanna's Ass -

I just met this guy. He's really nice, he's handsome, and we have a lot in common. Unfortunately, he has a really small dick. Like, really small. I can barely feel it. What do I do?

- Lusting-for-Length, London, England

Man, that is a terrible situation. My heart (yes, even asses have hearts) goes out to you and your unsatisfying lover. How awkward!

Well, I would treat this one like you are basically dating a woman. I have been with a lot of women, and had a lot of fun with them! Just have him go down on you a lot and finger you a lot. You can use toys, too. Maybe even try some kinky stuff like have him stick his dick in you...with a few fingers, too. Tell him you like it. Maybe insinuate that this is because your vagina is so large, and not because his dick is so small. I try to tell people that the number one way to solve any problem in the bedroom when it comes to couples is communication. However, in this case, I really don't think you can tell him his dick is too small for you. There is really no way to say that politely, and he will most likely resent you for it and he'll stop being so nice to you. Then you will be dating a guy with a small dick who is also a jerk, and there is just nothing good about that.

So yeah, some big toys, some pussy eating, and a whole lotta makin' out. You're in for a relationship with a lot of foreplay! Which isn't necessarily a bad thing, I think. Oy vey! I'm sorry.

How do you get a girl to improve her blowjob skills without having to ask (and being a total dick)?
- Need-Better-Head, Sacramento CA

There is nothing wrong with asking for good head. Seriously. You are really doing the girl a favor. As long as you don't say it like an asshole, you won't come across as an asshole. I will always remember the first guy who told Joanna her dick-sucking skills were not up to par, and yeah, she was a little hurt at first, but you know what? She was awesome at sucking dick after that, and look at how far that has gotten her in life. She really wishes she could go back and suck everyone's dick from her past, and show them what she was made of. So, don't worry about it. Just politely be like, 'Hey, baby, do it like this?' and move her head around gently until she gets it on her own. The world does not need more bad head going around. Don't think of this as a selfish act; think of it as an act that will be helping the world! She might give her friends BJ advice after you give it to her, and those friends will tell their friends...and then those friends will post the advice on their Facebook, and then people will repost it- and bam! So many good blowjobs are going on in the world!

To submit a question, please write to advice@burningangel.com.
Questions will be posted WITHOUT names and information.
Don't worry... your sexual inquiries and secrets are safe with us!

***And for godsakes, please note that
JOANNA'S ASS IS NOT A PROFESSIONAL...
at least not in the psychological sense..**

JAMES DEEN'S

Summer Vacation!

The last time I accompanied James and Joanna on vacation, I had the time of my life, so it's really no surprise that I jumped at the chance to join them for a summer lake house getaway this time around. Before you know it, I had my sunscreen, comics, and lube packed—and I was on my way to yet another experience that only BurningAngel could offer.

We arrived at the cabin where I am introduced to Sofi Von Doom and Felix for the first time. Automatically, I'm enamored with both of them. Sofi has one of the most killer asses I've ever seen, while Felix is just so damned cute it makes me want to fuck her right then and there. Unfortunately, James shatters my momentary dreams, and reminds me we need to get unpacked. Following a quick look around, I head downstairs and find James going through shot notes with Keni, while the girls get ready for a quick dip in the lake.

Just in time for their return, we've finished setting up for the first scene, which is a short shot with Keni, Audrina Lee, James and Moretta. Even behind the camera, I can feel the heat radiating in the room. However, just when things were starting to get interesting, Joanna and Sofi bust in and ruin it for everyone. James and Joanna head downstairs to look over the footage in the "command center," which is what I

dubbed the Giant Dining Room Table Covered In Laptops.

James is shooting the next scene in night vision, so we decide to journey into town for a while and see what it has to offer. Once the sun starts to set, we head back to the cabin and prepare for the next shoot. I'm extra excited, because this will be the first scene of the trip that I actually get to watch.

Now, let me say that I've never described someone's fucking skills as eloquent, but

Joanna really does have a refined ability about her. Every scene she shoots is like a black tie affair—complete with caviar and fine champagne—and loads of colorful tattoos. Anyway, within seconds of setting the camera down on a nearby table, Joanna expertly places herself between Keni and James—ready to take everything they have to offer. She begins by graciously sucking Keni's cock in an eager manner, while James eats her pussy and ass from behind in the exact same fashion. The pace quickly picks up, and before you know it,

Joanna's tight holes are filled with the magical entity, known simply as dick. Both guys take their turns with her, but it's just not enough to satisfy Joanna's appetite on this night. Hungry for more, the guys position her on the bed for a DP—much to Ms. Angel's delight. After some more ravenous fucking and two big cum shots later, we're all off to bed.

The next morning, James is up before everyone else, already plotting the day's schedule. The first scene of the day has him paired with Felix for a bathroom scene. It begins with Felix stripping off her clothes and beckoning Mr. Deen towards the shower. He obliges her by burying his tongue deep into her pussy, as she firmly presses her hands up against the wall, quivering with every lap of his tongue. With this scene alone, it'll make believers to those who think porn stars don't orgasm on screen.

After a very hot blowjob, Felix spreads her long, slender legs for some intense fucking in every corner of the bathroom. Watching her ride his cock is really one of the best things you can see this early in the morning. At one point, James commands Felix to the counter, where the camera is resting. He continues to fuck her, as her beautiful eyes look straight into the camera, which is still one of the hottest moves in my book. Unable to wait a moment longer, James directs Felix to her knees, where she is greeted with a mouthful of cum that she happily consumes with a smile.

When afternoon arrives, the next scene begins with the group taking a hike through the woods. Not long into the journey, we're already in another well-crafted set up that sees everyone eventually part ways, with Joanna, Sofi VonDoom, and I heading back to the house. After finding their way inside, James, Moretta and Felix stumble upon Keni practicing his "doctoral" skills on Audrina in another bathroom. Her amazing and supple ass bounces up and down on Keni's shaft, as she moans with sheer ecstasy from every thrust. Unaware they're being watched, the two continue to fuck their way around the room and even into the shower. With every new position, Audrina finds a hundred new reasons to fall in love with Keni's skills. Before long, she's coated in Keni's cum, letting out a satisfying sigh as she looks up at him in approval. While the others get ready for the next scene, I stay in the room and talk with Keni for a bit.

As the others prepare for a home-cooked meal, James is upstairs raiding the almighty suitcase of chips. Not content with seeing everyone else getting fucked, Sofi sneaks away to join James and formally introduces herself by swallowing his cock with little hesitation. Although she looks happy on her knees, Mr. Deen instructs the sex pot out of her tight black dress and maneuvers her to the bed's edge. James slides his cock into Sofi's perfectly pink pussy, which causes her eyes to roll back with sheer delight. From the second this scene started, I couldn't get the smile off my face. I'm quickly reminded as to why I started watching porn in the first place—to view intense fucking like this.

Her swollen pussy welcomes every inch of James, as she gets on her knees and fucks him with purpose. With her mouth watering for more, she soon begs to taste his cock once again. After sucking him off for a few more moments, Sofi begins to ride him on the floor, leaning back and enjoying every single moment. It's then back to her knees—just in time to take a hot load of cum on her face.

I return to the cabin the next morning and open the door to James—eager to start filming the final scene that involves all four of the newbie starlets. We head out to the hot tub, where James has already set up the shots, and we're off in no time. Starting with Sofi and Felix's tongues deep in Audrina and Moretta's pussies, the hot tub boils over into an all out four-some of girly goodness. Each phenomenally ravenous lady has a turn with the others, feverously working to make each other cum, again and again. I can't take my eyes off the action for a moment, and I even find myself drooling slightly

again—Sofi has one of the most beautiful asses I've ever seen in my life. I'm so glad I got to witness her first anal scene because it's simply incredible.

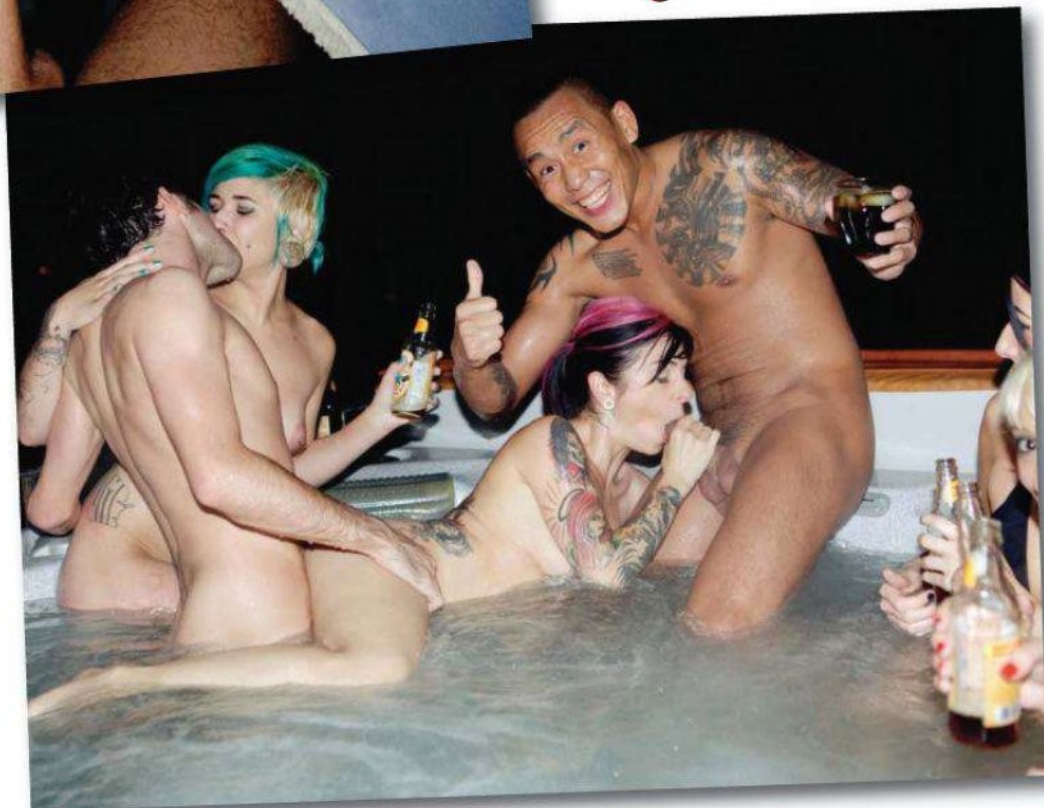

Not wanting to feel left out, Felix coyly directs Keni's cock deep inside her tiny ass, just in time to hear Sofi cry out from yet another intense orgasm. As the action continues, Joanna realizes she's not content behind the camera, and dives head first into the fun. Felix's petite body continues to bounce up and down on

Keni's hard cock, as Sofi and Moretta make Joanna cum countless times, with James fucking Audrina's soaking wet cunt from behind. At this point, I think I zoned out from sexual overload, because the next thing I know, Joanna is back behind the camera, directing the others along. At her request, James and Keni direct the girls to their knees and the scene ends with the guys cum-coating all four ladies.

"That's a wrap", James declares, while throwing on a towel. After a thorough cleanup and a quick pack-up, we all say our goodbyes and part ways with Felix and Sofi. We are on our way back home and at this time, as I reflect on the week and think about how to best sum it up. If there is one thing I learned on this trip it's this: James Deen is a skilled multi-tasker and actor. I wonder if he's ever thought about starring in parodies? Something tells me he'd be a scene-stealer. 🍆

over this glorious sight before me. Their wet pussies begin to glisten in the sunlight, while their moist tongues dive deep into the awaiting holes.

After deciding the hot tub can no longer contain their fun, the girls make their way inside and catch the eye of Keni and James. Being the gentlemen that they are, the guys happily join the fray. Within moments, the mere four-some erupts in an all-out orgy. With so much going on, it's hard to keep track of everything, but it's safe to say that there are two cocks going in and out of four pussies. Sofi and James maneuver away from the others at one point, because this naughty minx is demanding to be fucked in the ass. As previously touched upon, but will proudly say

CANNIBAL

Interview by

BellaVendetta

CORPSE

Photos Provided by
Autumn Forever

XXX LOVE & DEATH METAL

Every year in Central Massachusetts, a brutal three-day-long festival called the New England Metal and Hardcore Festival takes effect—and it's very rare if I miss a year. This time around, I brought along fellow BurningAngel model, Jessie Lee, as we got the chance to sit down with George "Corpsegrinder" Fisher—the powerful vocalist of my favorite death metal band, Cannibal Corpse! Here, we uncovered his thoughts on porn, sex and of course, all things metal!

BellaVendetta: Okay, so, we're doing this interview for BurningAngel.com. Do you know about the site?

Corpsegrinder: Um, a little bit. It was awesome when they told me I'd be interviewing with BA! I love porn.

Do you watch it all the time?

Not all the time, I mean, I jerk off enough, sure. I used to buy, like, tons of porn on tour, but I've been lucky. A lot of people give me free porn.

A lot of the members on the site are Cannibal Corpse fans. There seems to be a big overlap of porn-loving, metal-loving dudes.

Well, most people would think we're not really into that because we sing about [some pretty sick subjects], but we're just singing about it. We still like sex with live girls.

So the last three times I've seen you guys were all at big festivals. Do you prefer big festivals, or do you miss, like, headlining a CB show?

Well, we're actually on tour right now—this festival is just one gig. But, I don't prefer headlining. I actually really like festivals. Like, Mayhem Fest last year was great. We played, and then as soon as that was done, we got to go to the main stage and see Slayer! And, I just can't say enough good things about Mayhem Fest. I didn't wanna leave that festival. I did not wanna go home. I loved that tour. It was awesome!

Do you have a favorite or least favorite album of 2010?

I don't know. All I listen to is Cancerslug and Watain.

I heard you're into World of Warcraft. Do you have a character based on you?

Yeah, Corpsegrinder. Oh, I was so flattered. I mean that's a big deal to me. That's my favorite game, and they made a character on me, you can't beat that. Warcraft is all I do when I'm at home.

Do you ever think about having a normal life?

I love doing this, I really do. The fans are great, I have a great time hanging out and partying and I enjoy doing this. This is a dream come true. When I was a kid, this was all I ever wanted to do. When I was a kid, I'd just have my notebooks with band names and lyrics written on them, [and] my teacher would be like, 'Why don't you contribute to class?' I would just be like, 'Man, I don't even want to be here. I'm gonna be in a band.' I didn't graduate high school, but I'm not saying that's a good thing—get an education, definitely, or you might be a bum on the street. It's like rolling a three-sided dice. I could have stayed in school and got an education, but I had blinders on. I only wanted one thing—to be in a band. And with luck, and help, and hard work, I got here.

So, you've played everywhere pretty much. Is there a favorite place you have to play?

One of the greatest places to play is South America. It's insane there! Just the most dedicated hardcore death metal maniacs there are. They're insane in a good way. It's just like no other place.

You know, Jessie Lee was an AVN nominee for 'Best Double Penetration Scene' for Cum on My Tattoo 4 two years ago for a scene in a BurningAngel movie...

Really!? That's awesome! I'm totally gonna go check this out.

You're gonna see her on film and be like, 'I can't believe this girl was on my tour bus! Look at her go! She's a filthy little slut!'

Yeah, whenever we do this one song, it goes out to all the girls, and most importantly, not just all the girls, but all the sluts!

Yeah some girls get offended by the word 'slut.' We embrace it.

Every time I say it, all the guys will go, 'Yeaaaaah!' So, I never hear the girls scream—and I know they're out there.

Don't girls like, get excited and flash you?

No! They're afraid of us! They think we won't lick 'em, we'll eat 'em. But, women shouldn't be offended because in the lyrics of that song. Fantasies are okay.

So, do you think a lot more people know about the band since Metalocalypse [Adult Swim] has come out, and Brendon [Small—creator of Metalocalypse] has said he based Nathan Explosion off you, basically?

Yeah, of course. A lot more people who found that out, and maybe haven't heard us will listen to the band and that's awesome. And a lot of people think I do the voice, but I don't—that's Brendon, that's all Brendon. When he first asked me to do some stuff for the show, I hadn't even seen it. Then I went home and watched it and was like, 'This cartoon is fuckin' awesome!'

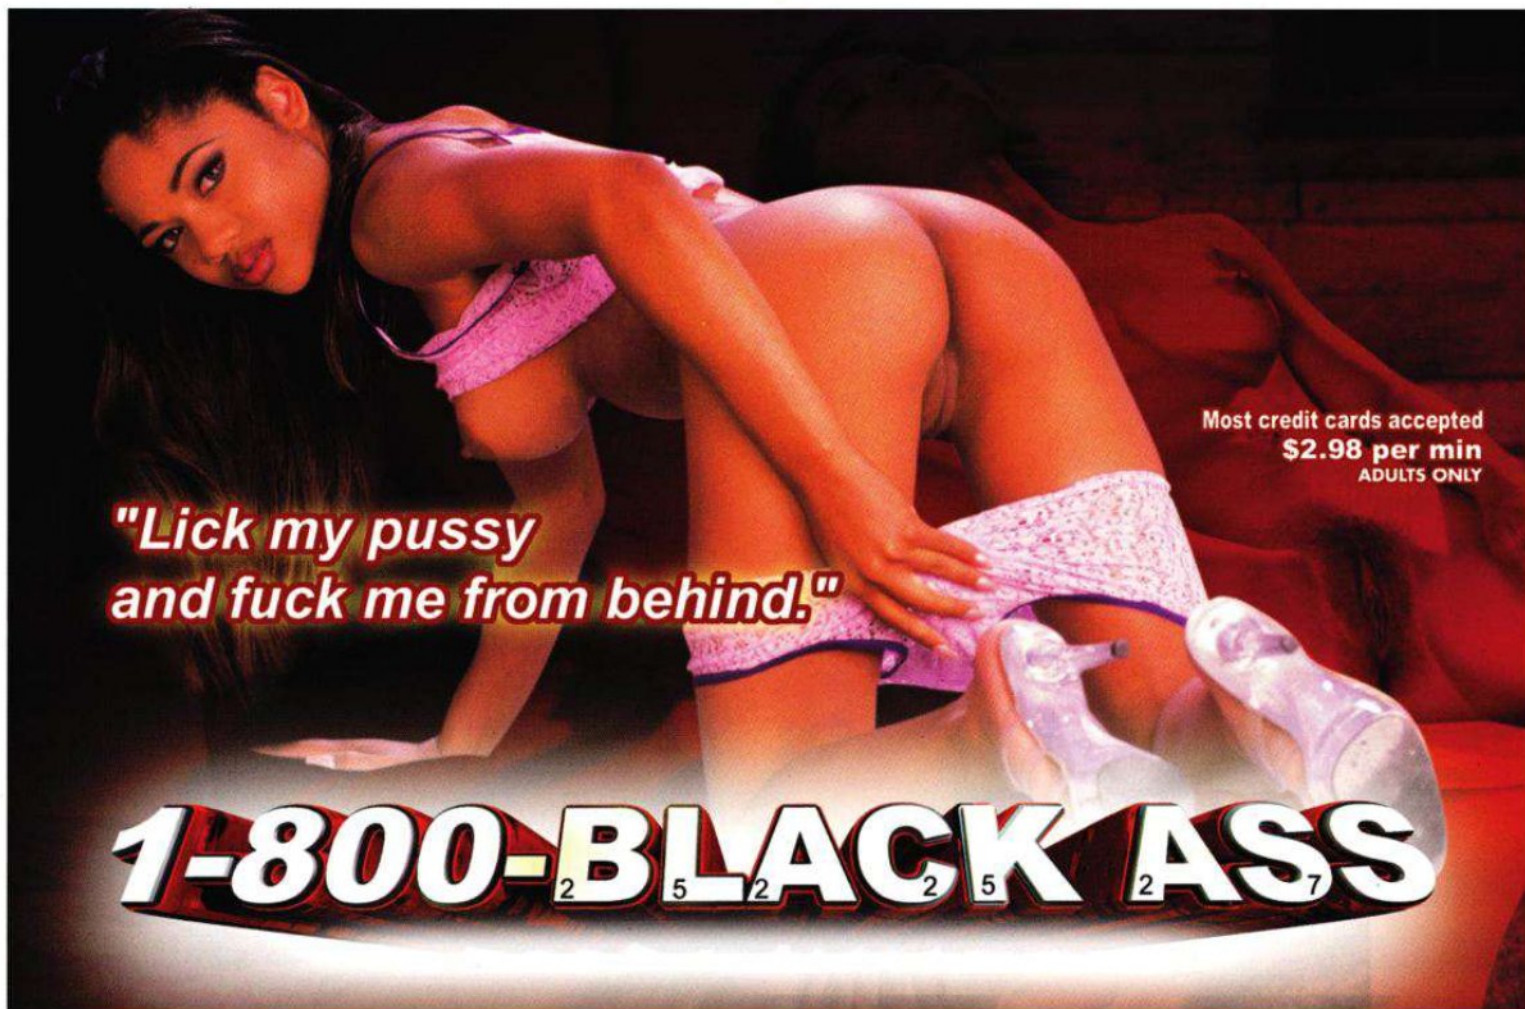

It's great! It's so well done. So, I got to go to L.A. and see all

the story boards and see all the different people working on it, so that was awesome, so I always thank those guys—they've helped us so much, 'cause when Dethklok's second album came out, it sold an assload of copies. And also things like, all the touring we've been doing is paying off. I know Mayhem Fest helped a lot, because you're touring with like, Slayer and Killswitch Engage, and a lot of people know who those bands are and come to see them.

So, the people that are reading this right now are like, taking a break from looking at porn and jerking off to read your thoughts on porn. Do you have a message for all the masturbators?

Don't point your shit my way! Unless you're a girl that can squirt—and then I'm all for it! 🍆

Sidewalks

(Fader)

Do you know Black Chris? You should. He plays the black guy in all my Christmas card photos. Sunday we're going to shoot this year's card at the mall. You're going to love it. Sadly, we're one less man this year because we had to put my wife's cat down. But the show must go on.

R.I.P. Munchie.

Black Chris has one of my favorite stories that I love to tell. He probably wishes I would tell it far less and that it would just go away, but it's so fantastic and awesome, I can't help but retell it anytime a round table discussion comes up of people blowing it. "Oh, man," I start, "My friend Chris has the best story ever." Unless he's in the room, and then I just point to him and say, "Tell them." He always says, "You tell them; you like telling it way more than me anyway." So, I tell it.

Black Chris was skating down the sidewalk coming back from the bar with a six-pack under his arm. He was already feeling no pain. Skating sloppily and not paying much attention, he hits a crack and launches into the air. He has the wherewithal to make a split second decision: Save his body, or save the six-pack. Like any dedicated drinker would, he chose to protect the beer, rotating his body so the full weight of the fall came down on his left elbow, shattering it in numerous places and requiring repeated surgeries and leaving a permanent ten-inch scar on his arm.

The best part of the story? Every single beer bottle broke on impact. Haha. How amazing! He chose an eight-dollar six-pack over 20,000 dollars worth of medical bills and still, every bottle was busted. Man, I love that story.

GWAR
gwar.net

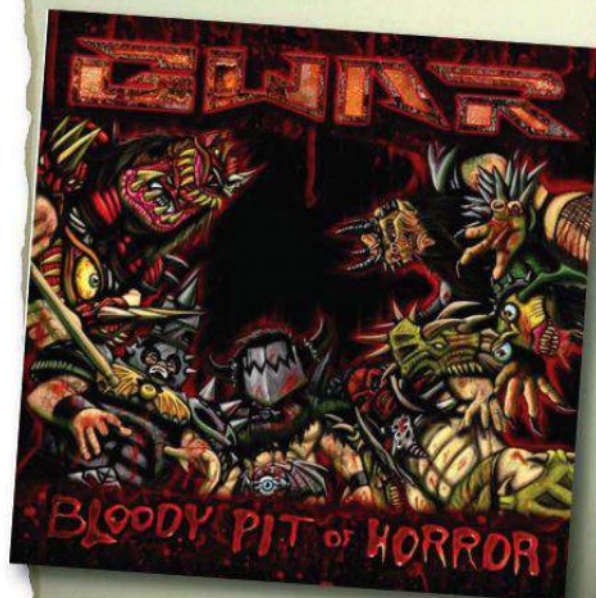

(Metal Blade Records)

Bloody Pit of Horror

About 11 years ago I became friends with GWAR's lead singer, Oderus. I drove down from New Jersey to Richmond, Virginia to interview them at their Slave Pit, and attend one of their GWAR-B-Qs (P.S. I'm trying to have some BurningAngel models over for a porn BBQ and make my movie idea for "Pussy on Rotisserie" a reality!).

Recently, I started filming a show for Vans's new website launching next week called *Offthewall.tv* where I go and have adventures with various Vans skaters (or, if you have a vagina, read that as "cute boys"). The first one was Gilbert Crockett from Richmond. I decided to enlist my buddy, Oderus for the second episode to grill Gilbert on some Richmond history in a game show setting.

The first episode offers a bit of Richmond history as well. There's a fucked up road in Richmond called Monument Ave that is lined with statues of various famous Confederate soldiers, and the last statue on that street? You'll never guess. A statue of dead, black, tennis star, Arthur Ashe, hovering above a group of children whom looks like he's about to beat with his tennis racket. It's pretty fucked up. Watch the first episode next week to see it.

STREET DOGS

myspace.com/streetdogs

Street Dogs

(Hellcat Records)

The fact that www.myspace.com/streetdogs \n _blankStreet Dogs—the punk band from Boston—decided to make this—their fifth album—a self-titled record, made me laugh. Don't people usually make their first album self-titled? Have they run out of album names? It seems weird.

The title also reminded me of my wife's cat, Munchie, whom we had to put down last week after a short, but traumatic and devastating battle with cancer. In a matter of just two months, the poor guy went from a fat Garfield sized cat to nothing but skin and bones. It sucked awfully. He was my wife's homie for over a decade, and she wouldn't stop crying leading up to his death or since. I felt so helpless that I couldn't do anything for her. I also felt bad for myself that I was unable to make any jokes about how, "My wife killed her pussy," because she was so depressed. I hate when I have to show restraint and take people's feelings into consideration. Shit like that sucks.

However, at least we still have a dog, and September 11th is rolling around the corner, and my baby boy is going to be a year old, so my wife and I have taken to arguing over themes for his birthday. She wants everything to be dog themed, whereas I want everything to be 9/11 and airplane themed. Hopefully we can come to a compromise. Maybe dogs riding on airplanes while playing poker? We need to figure it out quickly, because the cake decorator needs to know.

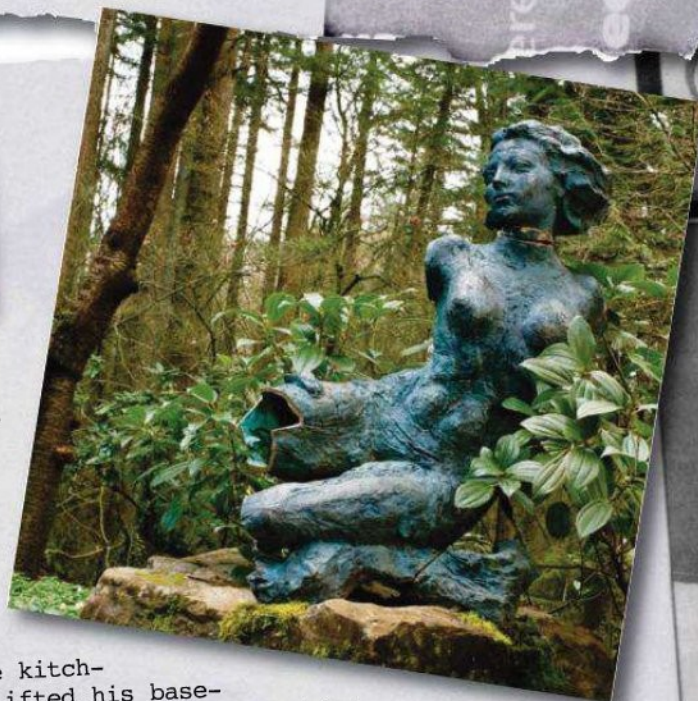

MENOMENA

menomena.com

(Barsuk)

Mines

menomena.com/" \n _blankMenoma are from Portland. I once did an RV skate tour across Oregon, starting and ending in Portland. I remember very little from the trip aside from two skaters basing in the back of the RV morning, noon and night. Then there was the time the cops raided the RV after finding us parked on the wrong side of the road next to the skate park. They searched everywhere and could not find junk anywhere.

When they left, I asked the one guy seated at the kitch-enette table where he had hid the stuff, and he lifted his baseball cap that lay in front of him. There it was, in plain sight—absurd but true. After that, I made it a point to keep my distance from the RV and sleep in the grass for fear of eventually getting taken to jail for someone else's crap.

There are two girls I remember quite vividly from the trip's outing to strip clubs (the premise of the tour was hitting titty bars across the state of Oregon). One was a girl with zip-pers tattooed on her side from foot to neck. She had the prettiest, smoothest vagina I'd seen up until that point. It was like the egg white of a hardboiled egg. The other chick was this performance artist/stripper that did a fire show on stage with clown makeup on. What really sticks out in my mind was she had pentagrams tattooed on both of her inner thighs. I fell for her instantly. If anyone in Portland knows either of these girls, tell them I was thinking about them and I say, "Hello," and I hope they're doing well.

BURNING

QUESTION

What is your ideal Valentine's Day date?

28886

ROGGIE: My idea of a perfect Valentine's date would have to be being a lady in public and a nasty little slut when it comes time to hit the bedroom. It all starts at the beginning of the day when I wake up and start preparing. When I'm waking up next to a special someone, then I like to snuggle. I love cuddling half asleep, kissing and touching. Since my personality is so loud, I love to go all out when it comes to my hair, makeup and whatever outfit I decide to wear—all the way down to polishing my toenails. I don't like half-assing anything. I don't want chocolate on Valentine's Day, but I do love flowers. I don't care much for gifts, but I wouldn't turn it down, either. So, I guess for that stuff, it could go either way on my perfect Valentine's Day date. I think you can really feel the Valentine's spirit when day becomes night. Whether I'm going to a fancy restaurant or staying in, I really like making it special. I love food. I prefer to go out to a restaurant that I've never been to before, but one that also has great reviews. It adds an element of surprise. And wine—now, there is nothing wrong with having some - I adore drinking wine, but I want to be able to walk out of the establishment at the end of the date! And here comes the good part: When I hop into that taxi on my way home, I have my money ready because I'm not thinking about anything other than this person ripping my clothes off. There is something so sexy about being so put together on the outside world, but when you get home, becoming completely rav-
ished and treated like a rag doll. I love rough sex. I like being fucked in every room of the house. I like to be fucked. I want my lipstick on both of our lips and my mascara running. Every woman loves the feeling of being spent and

sweaty—both of our smells entangled in each other's. When all is said and done, and we are laying in bed breathing hard, calming down, pussy sore as hell, room spinning slowly, and then I take comfort in falling asleep in his arms, and in the morning—we can both can laugh about it when we're washing the sex off each other in the shower.

KITTY: Kitty's dream Valentine's Date? Okay, here I go: My boo would start by waking me up with a champagne breakfast in bed with a huge card and fancy chocolates in a heart-shaped box and a cute little teddy. Then we'd then snuggle and stare into each other's eyes and talk about the future. In the evening, he'd pick me up for dinner and we'd go to a beautiful, romantic meal and then to an expensive hotel room that he'd filled with red roses, and then he'd then pull out a ring box. By this time, I would've already vomited about 400 times and might be telling him it's probably best we don't see each other ever again! Haha – just kidding! In my opinion, Valentine's Day is a silly holiday; you should buy presents for your boy/girl because you see something and it makes you think of them, or you just want to make them happy. You should always let them know you care with things they'd actually like, not with giant cards and teddy bears and other horrid things you buy at the supermarket. So, for me, on a good Valentine's Day, I'd wake up with my guy, and we'd probably fuck, fall asleep again, wake up, fuck again, go to work, or whatever we needed to do, come home, have dinner, watch the telly or a film, laugh, be happy and probably end the day with hours of oral—just like any other good day! Maybe, if they really wanted to spoil me, they'd get me some tulips and a bottle of good Rum!

SOFI VONDOOM: Not too many people can look past my sometimes "hard" exterior and believe that I'm actually a hopeless romantic. Not in the sense that I like long walks on the beach and stuffed animals (I do like walks on the beach, though!), but that I'm really into the whole romance aspect of a relationship. Ideally, if I could have the perfect Valentine's Day, it would start in the morning when I am awoken to my boyfriend's head between my legs eating my pussy. After some great morning sex, both of us would make a big breakfast together and then sit in my bed, smoking and eating. It doesn't really matter what we do during the day, so long as it involves lots of cuddling, kissing and sitting around naked with each other. To end the day, a nice dinner out for sushi is the perfect way to my heart—that, or any other kind of ethnic food at a restaurant. After that, back home for a full body back rub for him from me—and one for me from him. Champagne, good music, and dirty sex would end the night.

JULIETTE BLACK:

My ideal Valentine's Day? Oh man. Well, I'm not a huge fan of Valentine's Day. I definitely think it's one big marketing scheme. However, I would have to say if it's supposed to be a day to reflect on how much you love each other or whatever, you should spend the day apart and do something nice for yourselves. The reason I feel this way is because there's no time you think about how much you care about someone more than when you're apart. It's also important to keep yourself happy in a relationship, so doing something relaxing and nice for yourself is *actually* doing something positive for the relationship! I understand that this may be a really weird answer, but I think if you take a second to think about it, you will agree with me! Of course, I do think it's perfectly acceptable to celebrate together, too! Maybe after you spend the day apart, you could meet up for some crazy sex! What day is better than Valentine's Day to experiment with all the crazy shit you've been dying to try in the sack?! Maybe you could both come up with a few ideas for new things, and you could take turns trying them. That would be a fun way to bond, and it relieves some of the pressure to plan some fancy night out. I think it's so stupid that there's all these expectations for Valentine's Day. I think Valentine's Day makes anything someone does for you seem so much less genuine. It's expected, so it's not like they're just randomly deciding to do something nice. If you're not in a relationship and just looking for a date, then I think it should all be about sex—crazy, mind-blowing sex. So, if you're unattached, find some other sexy single (or maybe a few) and just go crazy!
